## PALM SOFT

### PREMIUM LIQUID HAND WASH

Palm Soft is a premium liquid hand wash designed for gentle, yet effective cleaning. Formulated with skin-friendly ingredients and a balanced pH, it cleanses hands while keeping them soft and hydrated. The luxurious formula is suitable for everyday use, providing a pleasant washing experience with its smooth texture and delicate Frangipani fragrance.

**Gentle on Skin:** pH balanced to match the skin's natural acidity, minimizing irritation.

**Biodegradable:** All ingredients are biodegradable, ensuring an environmentally responsible product.

**Moisturizing Formula:** Contains ingredients to help retain moisture and prevent dryness.

**Fragrance:** Infused with a delicate Frangipani fragrance for a pleasant scent after washing.

**Solvent-Free:** Free from harsh solvents, ensuring safe and gentle cleansing.

#### Environmentally Safe

The product is solvent-free and has a low environmental impact.

#### Cleaning Efficacy

Palm Soft is formulated as a gentle liquid hand soap, which provides effective cleaning while being mild on the skin. Its cleaning power is sufficient for general hand washing without causing skin dryness, making it suitable for frequent use.

#### Personal Safety

Overall, the product is gentle and safe for regular use as a hand soap.

#### Transport Safety

Palm Soft is not classified as dangerous goods for road, rail, sea, or air transport. It can be transported safely under normal conditions without special handling or labelling requirements.

## PREMIUM LIQUID HAND WASH

### DIRECTIONS FOR USE:

For Palm Soft, a gentle liquid hand soap, the product is typically used undiluted for optimal performance. Here are the cleaning instructions for various specific applications:

#### 1. General Hand Washing (Public or Commercial Restrooms):

- Dilution Rate: Use undiluted.
- Cleaning Instructions:
  - a. Dispense Palm Soft directly from a soap dispenser onto wet hands.
  - b. Rub hands together, covering all areas, including between the fingers and under the nails, to create a rich lather.
  - c. Scrub for at least 20 seconds.
  - d. Rinse thoroughly with clean water.
  - e. Dry hands with a clean towel or air dryer.

#### 2. Industrial or Workshop Settings (Heavy-Duty Hand Washing):

- Dilution Rate: Use undiluted.
- Cleaning Instructions:
  - a. Dispense a generous amount of Palm Soft onto dry or slightly damp hands.
  - b. Rub hands together to form a thick lather, ensuring coverage of areas with grease or dirt.
  - c. Scrub hands for at least 30 seconds, focusing on heavily soiled areas.
  - d. Rinse thoroughly with warm water to remove dirt, grease, and soap.
  - e. Dry hands with a towel or air dryer.

#### 3. Medical or Healthcare Settings (Frequent Hand Washing):

- Dilution Rate: Use undiluted.
- Cleaning Instructions:
  - a. Dispense Palm Soft from a soap dispenser onto wet hands.
  - b. Scrub hands for at least 20-30 seconds, focusing on the palms, backs of hands, fingers, and under nails.
  - c. Rinse thoroughly with clean water to ensure all soap is removed.
  - d. Dry hands using a disposable towel or air dryer.

#### General Notes:

- No Dilution Needed: Palm Soft is designed for undiluted use in all applications to provide maximum cleaning efficacy.
- Foaming Soap Dispenser: For best results, use a dispenser compatible with liquid soaps to ensure consistent lathering.
- Skin-Friendly Formula: Palm Soft is gentle on the skin, making it ideal for frequent handwashing in healthcare, industrial, or household environments.
- Storage: Store in a cool, dry place, away from direct sunlight or extreme temperatures.

By following these instructions, Palm Soft will provide effective hand cleaning while being gentle on the skin for various applications.

### Safe Handling & Storage Instructions

#### Safety Information:

Palm Soft is not classified as hazardous under GHS or DG classifications. However, it contains certain ingredients that may cause eye irritation:

- Eye Irritation: Contains components that may cause serious eye irritation (Category 2A).

#### Packaging:

Palm Soft is available in various packaging options to suit different operational needs. Please consult the Safety Data Sheet (SDS) for detailed handling and storage instructions.
