MULTI PURPOSE

PH NEUTRAL MULTI PURPOSE CLEANER

Surekleen Multi-Purpose Cleaner is a highly effective, pH-neutral general-purpose cleaner formulated for a wide range of hard surfaces. It is designed to lift and remove everyday dirt, grime, and residues while leaving surfaces clean and fresh. This versatile cleaner is suitable for use in homes, offices, commercial spaces, and industrial settings, making it an essential cleaning solution for floors, walls, countertops, tiles, and other washable surfaces.

Versatile Hard Surface Cleaner: Suitable for cleaning floors, walls, benchtops, tiles, and stainless steel.

Fresh Citrus Scent: Provides a pleasant, long-lasting freshness after cleaning.

pH Neutral Formula: Safe for regular use on all water-washable surfaces without causing damage.

Biodegradable & Phosphate-Free: Designed for eco-friendly cleaning with minimal environmental impact.

Streak-Free Cleaning: Leaves surfaces clean without sticky residues or streaks.

Environmentally Safe

Surekleen Multi-Purpose Cleaner contains biodegradable surfactants. All ingredients are readily biodegradable and the product poses minimal risk when diluted for use. Proper handling and disposal are essential to minimize environmental impact in neat form.

Cleaning Efficacy

The formulation includes powerful surfactants, making it highly effective at removing grease, oil, and dirt. It is a versatile cleaner that works on various surfaces, including floors, stainless steel, tiles, and glass, and also neutralizes odours. Its ability to be diluted for different cleaning intensities further enhances its usability.

Personal Safety

The product and dilute solutions of the product should not be allowed to come into contact with the eyes.

Transport Safety

Surekleen Multi-Purpose Cleaner is not classified as dangerous goods for transportation by road, rail, sea, or air. This ensures it can be stored and shipped without special handling requirements, making it a logistically convenient product.
