

surekleen SURE CLEAR

BIODEGRADABLE WINDOW & GLASS CLEANER

Surekleen Sure Clear is a solvent-free, biodegradable glass cleaner designed to provide streak-free clarity on glass, mirrors, and plastic surfaces. The formula effectively removes fingerprints, dirt, dust, and smudges without leaving residue or streaks. Its eco-friendly composition contains no synthetic dyes, solvents, or preservatives, making it a safer alternative to traditional glass cleaners. This ensures a high-performance clean while minimizing environmental impact.

Streak-Free Cleaning: Leaves glass and mirror surfaces crystal clear with no residue.

Fragrance-Free: No artificial scents, making it ideal for sensitive environments.

Biodegradable & Solvent-Free: Environmentally responsible formulation with no harsh chemicals.

Multi-Surface Use: Safe for glass, mirrors, acrylic, plastic, and stainless steel.

Environmentally Safe

Sure Clear Concentrate is a solvent-free glass cleaner formulated with biodegradable surfactants. The product does not contain synthetic dyes or preservatives and is designed to minimize environmental impact.

Cleaning Efficacy

Sure Clear is designed to effectively clean glass, mirrors, and plastic surfaces without leaving streaks. Its formulation includes chelating agents that help prevent spotting from hard water, ensuring a high-quality finish.

Personal Safety

Sure Clear Concentrate (neat) can cause serious eye damage, requiring the use of protective eyewear and gloves during handling. However, the product is non-irritating to the skin in its diluted form and is safe for routine use when proper precautions are taken. The absence of strong solvents or harsh chemicals enhances its safety profile.

Transport Safety

Sure Clear is not classified as a dangerous good for transportation by road, rail, sea, or air. This means it can be shipped easily without the need for special precautions, making it exceptionally safe for transportation under normal conditions.

surekleen SURE CLEAR

BIODEGRADABLE WINDOW & GLASS CLEANER

DIRECTIONS FOR USE:

Application Instructions & Dilution Rates:

1. Self-Diluted Cleaning - Cleaning Procedure using Sure Clear Concentrate

Dilution Rate: (60-90 mL per 750ml of water). 2-3 Pumps using Surekleen Hand Pump into 750ml Spray Bottle.

Application Method: Spray bottle

- Instructions: Spray Sure Clear directly onto the glass or surface.
- Wipe off immediately with a dry, lint-free cloth or microfiber towel.
- For stubborn marks, repeat as necessary.

2. Closed-Loop Cleaning - Cleaning Procedure Using Sure Clear Closed Loop with a Closed Loop Dispenser Dispenser Dilution should be set at 1:10 (Heavy Duty Clean) or 1:20 (Light Clean)

Spray Bottle Application (Glass, Mirrors, Stainless Steel, Plastic, Chrome)

- Fill a properly labelled spray bottle with the pre-diluted solution from the Closed Loop Dispensing System.
- Spray Sure Clear RTU directly onto the surface.
- Wipe off immediately with a lint-free cloth or microfiber towel to prevent streaking.
- Buff with a dry microfiber cloth for a crystal-clear, streak-free finish.

Cloth Application (General Hard Surfaces & Touchpoints)

- Dispense pre-diluted Sure Clear into a clean cloth or directly onto the surface.
- Wipe the surface using a smooth, circular motion.
- Dry with a clean microfiber cloth to remove excess residue.

Safe Handling & Storage Instructions

Safety Information:

Surekleen Sure Clear is hazardous in its concentrated form, but when diluted as recommended, it poses minimal risk.

Hazard Classification (Concentrate Form):

- Serious Eye Damage: Category 1 - Causes severe eye irritation or damage.
- Skin Irritation: Category 2 - May cause mild skin irritation with prolonged exposure.

Safety Precautions:

- Personal Protective Equipment (PPE): Wear gloves and eye protection when handling the concentrated product.
- Avoid direct contact with eyes and skin.

Our Story

Surekleen is an Aboriginal Owned Cleaning Chemical Manufacturer based in Malaga, Western Australia.

As an Aboriginal Business, our mission is to lead with passion & respect, the empowerment and growth of Indigenous People & Business' through the manufacturing of Australia's most innovative & highest quality products.

Your support in purchasing this product is directly, positively impacting Aboriginal people across Australia as we share a percentage of our sales with our traditional land owner partners or organisations that support initiatives in remote Indigenous communities.

Thankyou for your support and for helping us make a positive impact!
